John Brother MacDonald Stadium

The John Bother MacDonald Stadium is the lone stadium in New Glasgow with a single ice surface and full service Mezzanine (365 days a year). The Scotia Rink Commission oversees the governance of the Stadium and a new management committee will soon be formed. Stadium staff include Melody Board (Administrative Assistant), Scott Cooke (Chief Operator & Charge hand), and Robert Davidson (Operator).

The Stadium has ice in nine months of the year (August – April). During the remainder of the year we host a variety of events such as home shows, bingo, monster trucks and other events that require larger venues.
