

## TOWN OF NEW GLASGOW EARTH DAY

### WHEREAS:

- Earth Day Canada aims to raise awareness among citizens and communities across the country to encourage people to take action to benefit the environment;
- Earth Day is a day of environmental action, celebrated in many countries around the world;
- Its mission is to help individuals and organizations reduce their impact on the environment;
- As a municipality, the Town of New Glasgow plays an important role in engaging and educating citizens about environmental issues and supporting concrete action to maintain a healthy natural and built environment;
- It is in our community's best interest to support sustainable activities to protect and enhance the natural environment to support community health and wellbeing, and reduce the impacts of climate change;
- Declaring Wednesday April 22<sup>nd</sup>, 2022 as Earth Day in New Glasgow will encourage our community to take action to reduce their impact on the environment and advance climate action and sustainability;
- As an official municipal partner with Earth Day Canada, the Town of New Glasgow will plant 50 trees in our community as a commitment to making our Town greener for years to come.

**THEREFORE** I, Mayor Nancy Dicks, do hereby proclaim Wednesday April 22<sup>nd</sup>, 2022 as Earth Day in the Town of New Glasgow, to increase awareness and participation in environmentally sustainable practices in our community.
