

## **PROCLAMATION**

As Mayor of the Town of New Glasgow, I would like to announce that the week of August 10-14, 2022 has been declared New Glasgow Black Community Gala Homecoming week in New Glasgow. In making this proclamation, Council for the Town of New Glasgow wishes to recognize this group of citizens and former citizens and their ongoing contribution to the betterment of life in our community. Town Council also wishes to extend a warm invitation to residents and former residents of this community to utilize and enjoy the many facilities available in New Glasgow. It is the hope of Council that the many activities planned for the participants of the Gala Homecoming will provide memories that will be enjoyed forever.
