August 2026

Race on the River

The 23rd annual Race on the River Dragon Boat Festival brought lots of excitement, teamwork, and community spirit to New Glasgow. This year, Race on the River raised \$107,000, the highest amount raised since 2019. Special shoutout to the Town's own Flourishing Firecrackers for taking home the New Glasgow Cup in the Community division.

Thank you to everyone who raced, volunteered, sponsored, donated and came out to cheer. We had so much fun and are already counting down to next year. Watch out, the Flourishing Firecrackers are coming for first place!

Message from the Mayor

July was an exciting month in our community. We celebrated the 30th anniversary of the Jubilee and another successful Race on the River, both bringing music, energy, teamwork and community spirit to New Glasgow.

We also came together at Glasgow Square to celebrate Disability Pride Month and recognize the importance of inclusion, accessibility, visibility and belonging.

Another special highlight was welcoming New Glasgow's own Kori Cheverie and the Walter Cup to Pictou County. We are proud to call Kori one of our own.

August brings more opportunities to connect, including the Festival of the Tartans, the Downtown Night Market, recreation programs, and activities at Glasgow Square.

I hope you enjoy the final weeks of summer in our community.

Remember to be Sun Safe

Sun Safety

Get outdoors and use **SunSense**

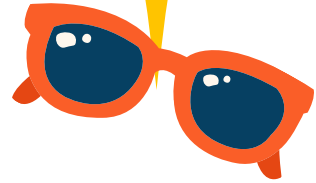

Did you know...

- 1 in 7 Canadians are diagnosed with skin cancer.
- Ultraviolet Radiation (UVR) is the major cause of skin cancer.
- Children spend on average 1-3 hours per day outside for recess, lunch, gym class, and extracurricular activities.
- Students are at school during the highest UV risk period, from 11a.m. - 3 p.m.
- Establishing healthy sun behaviors in childhood makes them more likely to persist in adulthood.

6 best ways to be sun safe

- **Check the UV index every day**
- **Seek or create your own shade**
- **Cover up-** Did you know clothing can protect you better than SPF?
- **Wear a hat**
- **Wear sunglasses-** Close fitting with UVA or UVB protection.
- **Use sunscreen properly-** Apply a generous amount of SPF 30 or higher to any exposed skin and reapply every 2 hours.

Become a Bee City Pollinator Garden

Apply for the Pollinator Certificate Program!

New Glasgow is proud to be Nova Scotia's first Bee City, and we are recognizing residents who are helping support bees, butterflies, and other important pollinators through pollinator-friendly gardens. Selected residents will receive a certificate and garden sign celebrating their contribution to biodiversity and sustainability in our community.

How can you help New Glasgow become more bee friendly?

- Create pollinator habitat by planting native species of plants and flowers in your garden.
- Go chemical-free, or avoid using chemicals in your gardens.
- Leave your dead stems behind, which allows bees that nest above ground much-needed habitat for nesting.

To learn more about the Pollinator Certificate Program or how to apply, please email climate.action@newglasgow.ca.

Public Docks Replacement

The Town of New Glasgow is pleased to share that the public docks outside Glasgow Square Theatre (155 Riverside Parkway) have been replaced with new EZ Dock floating docks. This project was supported through \$33,000 from the Province of Nova Scotia's Recreation Facility Development Grant and \$27,200 from the Trans Canada Trail's Trail Catalyst Fund.

The new docks replace the aging wooden dock system with durable, low-maintenance materials expected to last more than 40 years. This investment improves safety, accessibility, and public access to Amasipukwejk (The East River) for residents and visitors.

The docks support recreational use for paddlers, include the existing accessible kayak launch, and are also used annually for the Race on the River Pictou County Dragon Boat Festival.

We look forward to seeing this waterfront space continue to be enjoyed for many years to come. Thank you to the Province of Nova Scotia and Trans Canada Trail for investing in our community.

Trans Canada Trail in New Glasgow

Did you know that there are two sections of the Trans Canada Trail in New Glasgow?

The "Pictou to New Glasgow Water Trail" is a 16.3 km section along Amasipukwejk (The East River) starting from the public docks outside of Glasgow Square Theatre. Paddlers can use this section to travel all the way to the Pictou Harbour.

The 3.5 km-long "Town of New Glasgow Trail" takes users along North Provost Street, George Street and the Samson Trail. This section links up with the Albion Trail to the south, and the Town of Trenton to the north, in addition to the Pictou to New Glasgow Water Trail.

Congratulations Glasgow Square!

Glasgow Square has been nominated for two 2026 Nova Scotia Music and Industry Awards.

Glasgow Square Theatre has been nominated for the Live Sector Award alongside Halifax Jazz Festival, Pavilion Youth Association, Sanctuary Arts Centre, and The Shore Club.

We're also incredibly proud to celebrate our own Derek Martin, who has been nominated for the Sound, Tech and Production Award alongside Dylan Mombourquette, Leah Timmins, Martin Maunder, and Patrick Coleman.

This marks Derek's second Music Nova Scotia Award nomination, following his first nomination in 2023. Since joining Glasgow Square Theatre in 2009 as our Sound and Lighting Technician, Derek has been a constant presence behind the scenes, helping bring thousands of performances and events to life with his skill, dedication, and passion for live production.

The recognition is especially meaningful as Glasgow Square celebrates its 25th anniversary in 2026. The last time Glasgow Square received a Music Nova Scotia Award was in 2015, when the theatre was recognized in the Community Presenter category under the leadership of the late Carlton Munroe.

We're grateful to Music Nova Scotia, our artists, our staff, our volunteers, and our community who continue to make Glasgow Square a place where unforgettable moments happen.

Award winners will be announced at Nova Scotia Music Week in Truro/We'kwampekikton Sunday, November 15, 2026.

Where's Napoleon Campaign Continues

Last week, Napoleon held a special edition Jubilee scavenger hunt. Participants followed the clues from one business to the next, each location revealing the next clue to the next stop, leading them all the way to stop #10... the Jubilee office where Napoleon was hiding. At each stop, participants had a chance to enter a draw for tickets to this year's Jubilee. 10 businesses, 10 tickets, 10 winners! Congratulations to all the ticket winners and thank you to everyone who participated. The Where's Napoleon campaign has been a successful initiative downtown and we are thankful for wonderful feedback and participation.
