

PROCLAMATION
National Poison Prevention Week
March 15 to March 21, 2026

WHEREAS, poisoning is a significant public health concern that can affect people of all ages and often occurs in homes and everyday environments; and

WHEREAS, many poisoning incidents are preventable through awareness, safe storage of medications and household products, and understanding how to properly use these substances; and

WHEREAS, National Poison Prevention Week provides an opportunity to educate the public about the risks of poisoning and encourage safe practices when using medications and other potentially harmful substances; and

WHEREAS, increasing awareness and sharing reliable information can help individuals and families take simple steps to reduce risks and keep their homes safe; and

THEREFORE, BE IT RESOLVED THAT, I, Mayor Nancy Dicks of the Town of New Glasgow, do hereby proclaim March 15 to March 21, 2026, as “**National Poison Prevention Week**” in New Glasgow.

Mayor Nancy Dicks
