

2026 SUMMER GUIDE

New Glasgow
flourish

Mayor's Message

Dear Residents of New Glasgow,

It is often said that New Glasgow is a small town with a big vibe, and summer is a wonderful time to experience everything our community has to offer. We are pleased to present another season full of programs, events and activities for residents and visitors of all ages to enjoy.

Our Community Development Department has planned a wide range of opportunities to help everyone stay active, creative and connected. From Art in the Park and Pop Up Play, to organized walks and recreation programs, there are plenty of ways to get involved close to home.

This guide also highlights events offered by our valued community partners, along with signature summer favourites such as the Pre-Canada Day Event, The Jubilee's 30th Anniversary, Festival of the Tartans, the Johnny Miles Running Event and Race on the River.

We look forward to seeing you out and about this summer in New Glasgow.

Sincerely,
Mayor Nancy Dicks

Facilities & Venues

New Glasgow's Trail System

One of the best ways to enjoy New Glasgow is by exploring the town's 6 km riverfront trail system. The Samson, Pioneer and Johnny Miles Memorial Trails follow former rail lines and are open year round for walking, running, biking and rolling on both the East and West Sides. Used by about 150,000 people each year, the pet-friendly trails also offer washrooms and parking along the route.

Samson Trail

Part of the Trans Canada Trail, this route follows the path of Canada's oldest locomotive, the Samson.

Pioneer Trail

Honours New Glasgow's early and present day pioneers.

Johnny Miles Memorial Trail

A short, scenic gravel trail through light woodland named for Boston Marathon winner Johnny Miles.

To report trail maintenance needs, call 902-755-8363.

Songs from the Square

Sunday June 14th, July 12th, August 9th | 1:00 p.m. - 3:00 p.m.

East Coast DNA and Glasgow Square Theatre present Songs From The Square, a monthly showcase series held on the second Sunday of every month from 1 to 3 p.m., featuring Eastern Canadian singer songwriters sharing the stories behind their music in an intimate listening room setting. This unique songwriter

series invites audiences to slow down and connect not just with the songs, but with the experiences that shaped them, as each artist performs selections from their catalogue while offering insight into their creative process and inspiration behind the music.

Live Theatre Makes a Return to New Glasgow!

Monday, July 27 & Tuesday, July 28 | 7:30 p.m.

By Nick Payne and presented by Icarus Theatre, Constellations will take the stage on Monday, July 27 and Tuesday, July 28, 2026. This Olivier Award-winning play explores love, free will, friendship, and quantum multiverse theory through the relationship between

Roland, a beekeeper, and Marianne, a quantum physicist. As their lives unfold across infinite possibilities and moments that could change everything, Constellations moves from the question of “what if” to a poignant reflection on “what is.”

Make Your Move

What is Make Your Move New Glasgow?

MYMNG is a community-driven initiative with the vision of creating a cultural shift where simple movement becomes a social norm and residents feel empowered to incorporate more simple movement into their daily lives.

Recreation Survey

Have your say on recreation in New Glasgow! We're planning for future recreational activities and want to hear what you'd like to see in our community. This quick survey takes just a few minutes and will help shape activities, schedules, and opportunities for all ages and abilities.

Simple Movement

Simple movement is activity that can easily fit into daily life in small amounts. Examples include standing to break up sitting time, unstructured active play, biking, gardening and walking (in the ways we walk).

Scan the QR code to visit the Town's website for more information

Make Your Move

Make Your Move Community Challenge

May 9 - June 30, 2026

Move more. Connect more. Feel better.

A community challenge from the Healthy Tomorrow Foundation, is uniting four Make Your Move Communities through simple, everyday movement.

Why this matters

Across Nova Scotia, many people aren't moving enough — and it's taking a toll on our health, our communities, and our healthcare system.

But the solution doesn't have to be complicated. Simple, everyday movement can:

- Improve physical and mental health
- Help prevent chronic disease
- Strengthen connection and belonging
- Support healthier, more vibrant communities

Starting May 9 Make Your Move Day

Residents of Antigonish, New Glasgow, Yarmouth and Lockeport are invited to take part in a free, 8-week community challenge.

Powered by Wellnify.ai and supported by local leaders, this experience makes it easy — and fun — to move more and connect with others.

What to expect

- Daily movement and wellness activities
- Friendly competition between communities
- Weekly videos from a lifestyle physician, local leaders and Movement Ambassador, Tara Taylor
- Points for movement and acts of connection (like helping a neighbour or volunteering)
- Prizes and community bragging rights

We are a Bee City!

The Town of New Glasgow is Nova Scotia's first Bee City!

There are 3 core commitments to being a Bee City:

1. Protection and Promotion of pollinators through habitat creation and management.
2. Community education and engagement
3. Celebrating the third week of June as Pollinator Week

How Can You Help New Glasgow Become even more Bee Friendly?

- Create pollinator habitat by planting native species of plants and flowers in your garden.
- Go chemical free, or avoid using chemicals in your gardens.
- Leave your dead stems behind, this allows for Bees that nest above ground much needed habitat for nesting.

Climate Ready New Glasgow: Community Engagement This Summer

This summer, the Town of New Glasgow will be inviting residents to help shape the next phase of local climate action. As part of incorporating climate adaptation into the Town's Corporate Climate Action Plan, we want to hear how climate hazards are affecting everyday life and what would help New Glasgow become more prepared, resilient, and responsive.

Climate adaptation means preparing for impacts we are already seeing and expect to see more of, including extreme heat, flooding, heavy rainfall, high winds, winter ice, drought, and other changing conditions. These hazards can affect homes, roads, public spaces, municipal services, emergency access, and overall community well being.

Throughout the summer, the Town will host community pop ups, engagement activities, surveys, and conversations with local groups and partners. We especially want to hear from people whose experiences are not always fully reflected in municipal planning, including youth, seniors, newcomers, African Nova Scotian residents, people with disabilities, and members of the Pride community.

Community input will help identify local priorities and shape practical, inclusive adaptation actions grounded in lived experience. This work builds on the Town's previous climate risk assessment and ongoing projects such as resiliency hubs, urban forest planning, and emergency preparedness.

Watch for the Climate Ready New Glasgow booth at community events this summer. Stop by, share your ideas, and help us plan for a stronger, safer, and more prepared New Glasgow.

NGRP Explorers Cadet Program

Ongoing at the New Glasgow Police Station

The New Glasgow Regional Police Explorers Cadets Program offers young people the rewarding opportunity to serve their community and gain skills to make their communities more safe. Explorer Cadets interact with deputy sheriffs who serve as mentors and instructors, some of whom were once Cadets themselves. They are also immersed in several facets of our agency's operations and are provided with leadership, first aid, and basic community based skills and training. Cadets are provided opportunities to learn about future careers in law enforcement, serve their communities, and gain skills through practical experiences and education delivered by their mentors. The program takes place Tuesday evenings from 7:00 - 8:30 PM and some optional weekend training. Uniform provided. To become an Explorer Cadet, applicants must be between 18 and 24 years old.

For more information on both programs, contact Cst. Ken MacDonald at 902-759-7277 or ken.macdonald@newglasgow.ca

Make sure you:

- Never leave your fires unattended
- Always ensure the fire is completely extinguished
- Know your municipal bylaws as they may be stricter than provincial fire restrictions

-  Burning is not allowed
-  Burning is only allowed between 7:00 pm and 8:00 am
-  Burning is allowed between 2:00 pm and 8:00 am

You can be fined up to \$25,000 if provincial fire restrictions are not followed!

For more information, visit NovaScotia.ca/BurnSafe

Public Notices

Urban Deer Management

Did you know... that it's illegal to feed deer within the Town of New Glasgow? Feeding deer can make animals vulnerable to starvation, predation, disease, vehicle collisions and more. Feeding deer can endanger their health and safety, as well as our own.

You can find a copy of the Town of New Glasgow's Feeding of Wild Animals By-Law at www.newglasgow.ca/town-hall/council/by-laws.html or by scanning the QR code below.

In the event of an after-hour emergency, residents can also call the Department of Natural Resources Main Switch Board to report serious wildlife concerns at 1-800-565-2224

Emergency Planning

When emergencies like winter storms, hurricanes, fires, or extended power outages occur, it's important to be prepared. Every household should be ready to manage on its own for at least 72 hours.

10 top items to put in the emergency checklist:

- ☐ Water - 2L of water per person per day (include small bottles)
- ☐ Food that won't spoil, such as canned food, energy bars & dried foods
- ☐ Manual can opener
- ☐ Wind-up or battery-powered flashlight (extra batteries)
- ☐ Wind-up or battery-powered radio (extra batteries)
- ☐ First aid kit
- ☐ Extra keys for your car & house
- ☐ Cash, travellers' cheques & change
- ☐ Important documents- identification, insurance & bank records
- ☐ Emergency plan - include a copy in your kit as well as contact information

When Preparing your emergency kit, always remember:

- Store the kit in an easy-to-carry container
- Make sure everyone in your household knows where it is
- Check your kit twice a year and replace expired items
- Replace stored food and water once a year

It is also recommended to keep your phone charged and your vehicle's fuel tank at least half full in case you need to leave quickly. Being prepared helps keep you and your family safe during the first 72 hours of an emergency.

Public Notices

Sun Safety

Get outdoors and use **SunSense**

Did you know...

1 in 7 Canadians are diagnosed with skin cancer.

Ultraviolet Radiation (UVR) is the major cause of skin cancer.

Children spend on average 1-3 hours per day outside for recess, lunch, gym class, and extracurricular activities.

Students are at school during the highest UV risk period, from 11am-3pm.

Establishing healthy sun behaviors in childhood makes them more likely to persist in adulthood.

6 best ways to be sun safe

- **Check the UV index everyday**
- **Seek or create your own shade**
- **Cover up**- Did you know clothing can protect you better than SPF?
- **Wear a hat**
- **Wear sunglasses**- Close fitting with UVA or UVB protection
- **Use sunscreen properly**- Apply generous amount of SPF 30 or higher to any exposed skin
