

COMMEMORATIVE BENCH PROGRAM 2023

The Commemorative Bench Program provides the opportunity to purchase a park bench in memory of a loved one, dedication of a significant event, or acknowledge a donation with a personalized message.

Bench installations take place from May to October, pending weather, workforce availability and available locations.

Benches may be placed along the New Glasgow Trail System (Samson Trail, Pioneer Trail, Johnny Miles Memorial Trail) or at a town-owned, public green space if a location is available. Community Development staff will contact you to select a suitable location for the bench prior to installation. The Town of New Glasgow has final site and bench colour approval. The Town has the right to refuse wording on plaques if deemed inappropriate.

Once installed, the commemorative bench becomes the property of the Town of New Glasgow and will receive ongoing maintenance as deemed appropriate by Town Staff. A 50% deposit must accompany your commemorative bench application. The balance remaining is due upon plaque approval and order will take place once final payment is received.

Steel Bench
\$5,000 donation

Recycled Bench
\$2,500 donation
