

**TOWN OF NEW GLASGOW
TRAFFIC ADVISORY
Cold Milling of Streets
Various Streets**

The Town of New Glasgow wishes to advise residents and motorists that **cold milling (planing)** will take place on three (3) Town streets on **September 8th and 9th**. This work is in preparation of paving and will occur on the following streets.

Marsh St. - from Vale Rd. (V Filling Stn.) to East River Rd.

Westville Rd. - Outbound lane from Honda dealership to Canadian Tire entrance.

Archimedes St. - from George St. to North Provost.

The work will commence at 5:00 am and last until work is complete each day. Motorists are advised to use alternate routes whenever possible.

Traffic control will be in place including detours. Please drive safely through this worksite and be aware of pedestrians, workers, and work vehicles

The Town of New Glasgow and the Contractor regrets any inconvenience this may cause and wishes to thank the public for their cooperation.

Earl J. MacKenzie, P. Eng.
Director of Engineering & Public Works
