ENERGY UPGRADES – COMMUNITY CENTERS

North End Recreation Center – 524 High St., New Glasgow
Ward 1 Recreation Center – 487 Brother St., New Glasgow
Westside Community Center – 181 Lavina St., New Glasgow

PROJECT #TNG24-PW-004

The Town of New Glasgow is accepting tenders from qualified General Mechanical Contractors specializing in HVAC systems for energy upgrades to equipment at three community Centers located in New Glasgow, NS. Work is described in contract drawings and specifications.

Tender packages are available at the Town of New Glasgow Engineering & Public Works Department at 235 Park Street, New Glasgow. Written tender documents are available in PDF format only. Email Donna at donna.little@newglasgow.ca. to obtain a copy of the documents.

The Town of New Glasgow requests that you deliver your completed tender in a sealed envelope, clearly marked “Energy Upgrades – Community Centers, New Glasgow, NS.”, to the attention of Earl J. MacKenzie, P.Eng., Dir of Eng/PW, 235 Park Street, New Glasgow, NS B2H 5B7, on or before Thursday, April 18th, 2024 at 3:00pm. Electronic tenders will be accepted. Submissions will also be accepted by secure email to donna.little@newglasgow.ca.

Contractors are to provide additional supporting documentation as described in the tender documents.

The Town of New Glasgow reserves the right to accept or reject any and all proposals and to accept any tender deemed to be in the best interests of the Town. The Town of New Glasgow also reserves the right to waive any formality, informality, or technicality in any proposal.

Should you require any additional information, please direct general inquiries to the Engineering office at 902-755-8351, Monday through Friday, from 8:00 am until 4:00 pm. Technical inquiries are to be directed to the M&E contacts on the project cover sheet.

Earl J. MacKenzie, P.Eng.
Director of Engineering and Public Works
